Briefs

- **Restitution meeting in Dikky.** A meeting between the CopeMed and ArtFiMed experts with 40 fishermen, 2 merchants and a representative of the Fisheries Department Delegate in Dikky (Morocco) was held the last 16 June organized by the national ArtFiMed expert (Mr Malouli Idrissi) and the CopeMed II socio-economist Matthieu Bernardon. The meeting objective was to give back to the fishermen the results of the investigation carried out by ArtFiMed during the first months of the project and to agree with the different actors the activities for the project second part. (For more information on the ArtFiMed project and activities see the ArtFiMed Web page (<http://www.faoartfimed.org>)).

Fishermen attending the Restitution meeting in Dikky (Morocco)

- **Restitution meeting in Ghannouch and El Akkarit.** Two separate meeting will be held in Ghannouch and Akkarit (Tunisia) the next 30 June and 1 July with the fishermen, mollusc's harvesters and Fisheries officials to coordinate the activities for ArtFiMed second part in Tunisia. The meeting organised by the ArtFiMed national expert Mr. Hamadi Elaiba and with the participation of Matthieu Bernardon from CopeMed II aim to back to the artisanal fisheries actors the result of the analysis of the situation carried out during the first phase of ArtFiMed (participatory analysis). (For more information on the ArtFiMed project and activities see the ArtFiMed Web page (<http://www.faoartfimed.org>)).
